You have a plan for me, even though I cannot always understand  
**C5** **Fsus2**  
Beyond what I can see, I know that I am held within Your hands  
**Am7** **C5/G**  
So I will trust in You, and I will lift a song of praise  
**C/E** **Fsus2**  
For You will never, ever change, no matter what I'm going through

**Fsus2** **C5/G**  
Even here, Your Name is "Healer," even here, You are still good  
**C/E** **Fsus2**  
Even here I will exalt You and lift up praises as I should  
**G/B** **C** **Dm** **C**  
For even here, Your power is greater, I will choose to glorify  
**G/B** **C** **Dm** **C**  
The power of Your wisdom, though I live or though I die  
**Fsus2** **Gsus4** **G** **C5**  
Your ways are perfect, Your Name is "Healer," and You are good

**C5** **Fsus2**  
You hold my destiny, so I can look with eyes of faith to what will come  
**C5** **Fsus2**  
Not moved by what I see, and without every growing weary, I will run  
**Am7** **C5/G** **C/E**  
And I will testify of Your wisdom that is greater and Your power that is stronger  
**Fsus2**  
For You conquered death with life

**Fsus2** **C5/G** **Am7**  
Oh, Your plan for me is good, Your plan for me is good, Your plan for me is good  
**G/B**  
No matter what the days may hold  
**Fsus2** **C5/G** **Am7**  
Your plan for me is good, Your plan for me is good, Your plan for me is good  
**G/B**  
No matter what, You're in control
